

# **GARBAGE WILL BE PICKED UP ON TUESDAY EXCEPT FOR JULY 5TH, 2023 & DECEMBER 27TH, 2023**

Questions concerning recycling, please call 487-4175. Please note: household recyclables and garbage should be placed in a container at the curb the evening prior to the scheduled day of collection. Garbage and recyclables are prohibited to be brought in and deposited by any person outside the village (**non-residents**).

Each person shall provide separate galvanized iron cans or other suitable sanitary containers for garbage and non-recyclable rubbish only. Such cans or containers shall not exceed twenty (20) gallon capacity and when filled shall not exceed sixty (60) pounds in weight with a maximum of six (6) bags per residence.

All recyclables are to be placed in a plastic container or a galvanized iron can or other suitable container.

Animal waste should be double-bagged with a quantity that can be easily handled by one person without breakage or spillage of the bag.

**As of January, 2010 the landfill WILL NOT accept any electronics nor are we able to collect them. Electronics are (but not limited to) TV's, VCR's, Computers, etc. You may contact the Chautauqua County Landfill for proper disposal of electronics, tires and hazardous wastes.**
